

ADAP Watch

March 30, 2012

ADAPs with Waiting Lists
(3,666 individuals in 11 states*, as of March 29, 2012)

State	Number of Individuals on ADAP Waiting List	Percent of the Total ADAP Waiting List	Increase/Decrease from Previous Reporting Period	Date Waiting List Began
Florida	607	16%	101	June 2010
Georgia	861	23%	-26	July 2010
Idaho	7	0.2%	-2	February 2011
Louisiana**	394	11%	16	June 2010
Montana	6	0.2%	0	January 2008
Nebraska	217	6%	10	October 2011
North Carolina	170	5%	9	January 2010
Ohio	0	0%	0	July 2010
South Carolina	440	12%	24	March 2010
Utah	0	0%	0	May 2011
Virginia	964	26%	-23	November 2010

ADAPs with Other Cost-containment Strategies: Financial Eligibility
(445 individuals in 6 states, as of February 1, 2012)

State	Lowered Financial Eligibility	Disenrolled Clients
Arkansas	500% to 200% FPL	99 clients (September 2009)
Illinois	500% to 300% FPL	Grandfathered in current clients from 301-500% FPL
North Dakota	400% to 300% FPL	Grandfathered in current clients from 301-400% FPL
Ohio	500% to 300% FPL	257 clients (July 2010)
South Carolina	550% to 300% FPL	Grandfathered in current clients from 301-550% FPL
Utah	400% to 250% FPL	89 clients (September 2009)

*As a result of FY2011 ADAP emergency funding, Alabama, Florida, Georgia, Idaho, Louisiana, Montana, North Carolina, Ohio, South Carolina, Utah and Virginia were able to reduce the overall number of individuals on their waiting lists.

**Louisiana has a capped enrollment on their program. This number represents their current unmet need.

ADAPs with Other Cost-containment Strategies
(instituted since April 1, 2009, as of February 1, 2012)

Alabama: capped enrollment, reduced formulary

Arizona: reduced formulary

Arkansas: reduced formulary

Florida: reduced formulary, transitioned 5,403 clients to Welvista from February 15 to March 31, 2011

Georgia: reduced formulary, implemented medical criteria, participating in the Alternative Method Demonstration Project

Illinois: reduced formulary, instituted monthly expenditure cap (\$2,000 per client per month), disenrolled clients not accessing ADAP for 90-days

Kentucky: reduced formulary

Louisiana: discontinued reimbursement of laboratory assays

Nebraska: reduced formulary

North Carolina: reduced formulary

North Dakota: capped enrollment, instituted annual expenditure cap

Ohio: reduced formulary

Puerto Rico: reduced formulary

Utah: reduced formulary

Virginia: reduced formulary, restricted eligibility criteria, transitioned 204 clients onto waiting list

Washington: instituted client cost sharing, reduced formulary, only paying insurance premiums for clients currently on antiretrovirals

Wyoming: capped enrollment, reduced formulary, instituted client cost sharing

ADAPs Considering New/Additional Cost-containment Measures (before March 31, 2012***)

Alaska: reduce formulary

Florida: lower financial eligibility

Kentucky: reduce formulary

Montana: reduce formulary

Nebraska: disenroll clients based on medical criteria

Oregon: reduce formulary

Puerto Rico: reduce formulary

Tennessee: establish waiting list

Washington: lower financial eligibility

Wyoming: establish waiting list, lower financial eligibility, institute client cost sharing

***March 31, 2012 is the end of ADAP FY2011. ADAP fiscal years begin April 1 and ends March 31.

Access to Medications: Case management services are being provided to ADAP waiting list clients through ADAP (2 ADAP), Part B (9 ADAPs), contracted agencies (6 ADAPs) and other agencies, including other Parts of Ryan White (5 ADAPs).

For clients on ADAP waiting lists who are currently on or in need of medications, 11 ADAP waiting list states confirm that ADAP waiting list clients are receiving medications through either pharmaceutical company patient assistance programs (PAPs) Welvista, or other mechanisms available within the state.
